Annina
Failsafe recliner

A new level of versatility, comfort and durability.
Winner of the prestigious Nightingale Award.

Featuring a dynamic approach to furnishing a hospital space and introduces a new level of versatility and durability, all in a small footprint.

Whether used as a single patient chair or combined in a multiple seating row, the Annina Failsafe Recliner performs as no other healthcare recliner can. It’s patented roll out foot rest supports loads of 350 lbs and is impervious to misuse.
Features and Performance

Design Features
1. Multi lock back to accommodate a reclining back motion with the finger pull
2. Self rising footrest actuated by lever. You can sit on the patented rolling footrest, it will safely support you.
3. Composite foam seat with dynamic suspension system for long term comfort
4. Polyester or wood arm caps resistant to hospital cleaners
5. Offering variety of choices of including casters, aluminum legs or wood legs

Performance
- 350 lb capacity
- Heavy duty mechanism completely covered by all inclusive 12 year warranty

Environmental Sustainability
- HHI Compliant
- Air Quality Certification BIFMA 207.7HI
