

Horizon Sleep Bench w/Table

Product ID: 576-92at

Interior Design Magazine's "Best of Year" Award

in the Healthcare Category, for our new Horizon Sleeper. This year's BOY Product Competition had 1100 entries from companies from all around the world.

INTERIOR DESIGN
BEST OF YEAR AWARD

The raised metal base allows for ease of maintenance and sanitation. Its platform features only three upholstered components that are removable as well as replaceable. The combination of solid surface and ultrasonic vinyl seam welding lessens the chances of infectious diseases being harbored.
