

The Joey Bedside Table provides a simple solution to the need for **extra seating** without adding to the clutter of the patient room. The Joey Stool which stores within the table may be easily pulled out for an extra visitor or a tired nurse. Our Standard Bedside Cabinet features graceful curved drawer fronts, durable metal legs and a top with a **anti-spill edge**. The Bedside Cabinet is also available with different combinations of drawers and doors, and a wide variety of wood grains and finishes.
